

IWS Canada and CSPWC/SCPA Invite you to a 5 Day Celebration Event

SEPTEMBER 28 to October 3, 2018

(Exact times and details may change due to weather conditions or events beyond our control)

This event is a celebration of not only watercolour but of how diverse cultures, by working together, can strengthen and enhance a community.

During these five days we will unite to celebrate our history, our differences and our common interests.

A community such as Richmond Hill, with its mosaic of residents from diverse cultures, its combination of urban and rural environment and its strong historical roots is an ideal venue for our Symphony in Watercolour Event.
